

Rescue Orion

3 Hours (2 Hour Experience + 1 Hour Debrief)

In Eagle's Flight's space-themed virtual experiential activity, **Rescue Orion**, participants become crew members of the Gemini 1 – a space craft designed for critical rescue and crisis-related missions. With their teams, participants will share information only they have by using virtual tools and platforms to solve the assigned challenge.

Key Learnings:

- Focus on how your actions and role contribute to the business outcomes
- Effectively prioritize issues, anticipate consequences, and tackle with urgency and intensity
- Strategically use all the information and resources at your disposal
- Utilize effective planning so that actions can be made with purpose and confidence
- Be prepared with your best options and approaches to present
