

# ASSISTANT CONTROLLER

*You're a CPA, seeking work in an organization that will allow you to put your financial acumen to the test in practical ways.*

One that offers challenge and growth, and the opportunity to embrace both strategic thinking and tactical execution. A company where you can make an impact, and be recognized as a valuable team member.

Eagle's Flight is that organization, and we're looking for a sharp, strategic Assistant Controller, who can utilize their strong financial acumen to support our international expansion.

In this position you will take the reins of our accounting processes, and assist in the development and implementation of our financial systems.

You will have a passion and a talent for process improvement, and a track record of flawless execution.

This is a full time position.

*Sound like you? If so, find more details on the following page.*

## In This Role You Will:

- Help lead a financial system implementation across our global group of companies
- Manage all accounting operations including Billing, A/R, A/P, Cost Accounting, and Inventory
- Support month-end and year-end close process
- Ensure quality control over financial transactions and financial reporting
- Additional controller duties as necessary

## You Must Have:

- 3+ years of accounting and finance experience
- Experience managing a team of financial professionals
- Thorough knowledge of accounting principles and procedures
- Experience with general ledger functions and the month-end/year end close process
- Excellent accounting software user and administration skills
- A CPA designation, or in process
- Experience with continuous process improvement
- A growth mindset, capable of seeing what should be, or what could be, rather than what is

## Considered a Significant Asset:

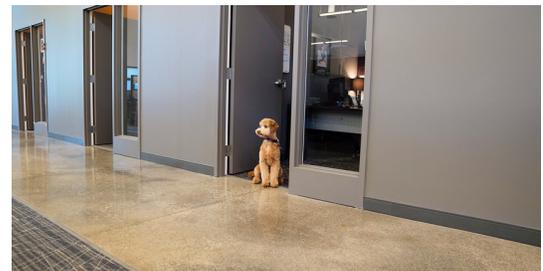

- An understanding of global business and international accounting (both GAAP and IFRS)
- Experience in Microsoft NAV or Business Central
- Previous experience in financial systems implementation
- Experience in a multi-currency accounting environment
- Experience in a job costing or project accounting
