- Create and produce absolute quality materials for internal projects
- Work with internal clients: Marketing, Sales, Leadership and other individuals/departments as required
- Ensure clear and effective communication with colleagues and stakeholders to acquire information
- Ensure approvals have been attained and timelines are met
- Be able to work in a fast-paced, deadline-oriented environment
- Understand scope from design to production
- Be able to produce art for either digital printing or press production
- Be able to apply creative concepts to a variety of formats
- Adhere to internal and external corporate guidelines

## **You Must Have:**

- A university or college degree in a Graphics Design program
  - 5+ years of experience in print and digital design
  - The ability to take a project from concept through to production
  - Expertise in Adobe CC (InDesign, Photoshop and Illustrator), MS Office (Word and PowerPoint)
  - Experience with Adobe XD is a definite asset
  - Excellent organizational skills and attention to detail
