GRAPHIC DESIGNER

You're a Graphic Designer, seeking work in an organization that will empower you to put your skills to use in an area of the business that truly impacts the bottom line.

One that offers challenge and growth, and the opportunity to truly fuse your passion for people and human development. A company where you can make an impact, and be recognized as a valuable team member.

Eagle's Flight is that organization, and we're in search of a Graphic Designer to join our team. Our team is growing quickly, so sound judgement, creativity, accountability, and the ability to manage competing priorities will be critical to your success.

You must thrive on the opportunity to be part of a team committed to Eagle's Flight's point of difference: Changing behavior to improve performance.

In order to be successful in this role, you must be highly creative and have a sharp eye for details. The successful candidate will be able to create projects for external customers and deliver world class results on time.

This is an 18 month contract position.

Sound like you? If so, find more details on the following page.

EAGLE'S FLIGHT ™

In This Role You Will:

- Create and produce absolute quality materials for client projects, as well as for internal initiatives and experiences.
- Work closely with internal team members such as: Instructional Designers, Project Managers, Project Coordinators, Production Team, Marketing, Sales, Leadership and other individuals/departments as required.
- Ensure clear and effective communication with colleagues and stakeholders to acquire information.
- Ensure approvals have been attained and timelines are met.
- Be able to work in a fast-paced, deadline-oriented environment.
- Understand scope from design to production.
- Be able to produce art for either digital or printed formats.
- Be able to apply creative concepts to a variety of formats.
- Adhere to internal and client corporate guidelines.
- Follow all internal art department process standards.

You Must Have:

- A university or college degree in a Graphics Design program.
- 5+ years of experience in print and digital design.
- The ability to take a project from concept through to production.
- Expertise in Adobe CC (InDesign, Photoshop and Illustrator), MS Office (Word and PowerPoint).
- Experience designing for the digital world is a definite asset (websites, apps, games, social media, AR/VR, video edition, etc.).
- Able to work quickly and error free.
- Excellent production and organizational skills.
- Able to take direction as well as offer additional thinking and insights.
- Familiarity with UX and Accessibility concepts as it applies to the graphic design field
